	Teachers will identify students with proficiency scores of 2 in language arts skills. Our goal will be to move them to a 3 while maintaining other students with proficiency scores of 3 or 4.		By implementing the common core and Six Traits writing strategies, students will produce writing samples that demonstrate age appropriate writing skills using content knowledge.		Students will learn and demonstrate leadership skills as they learn <i>The 7 Habits</i> by Steven Covey.						Increase student achievement in math among all underachieving student groups and subgroups by 2% as measured by CRTs.	Students will learn and demonstrate leadership skills as they continue to learn the 7 Habits of Happy Kids (Stephen Covey).
