|-----------|--|----|-----------------|----|-------------------|----|-------------------|----|-------------------|---|---|-----------------|-----------------|-----------------|-----------------|
|           | Yes  | No | Yes             | No | Yes               | No | Yes               | No |                   |   |   |                 |                 |                 |                 |
| Snowville |  | √  |                 |    |                   |    |                   |    |                   |   |   |                 |                 |                 |                 |
|           | 90% of students in grades 1-5 will be at benchmark or making progress towards benchmark as measured by DIBELS ORF. |    |                 |    |                   |    |                   |    |                   | 80% of students K-2, 66% in 3 <sup>rd</sup> , 77% 4 <sup>th</sup> and 100% of 5 <sup>th</sup> grade students will reach benchmark in DIBELS composite. Those not reaching benchmark will show progress. | Math Goal: 4 of 6 3 <sup>rd</sup> grade students reach proficiency on the CRT. 4 of 9 4 <sup>th</sup> grade students who were not proficient last year will reach proficiency. Move one student from a 1 to a 2 proficiency. 5 <sup>th</sup> grade: both students will reach proficiency. |                 |                 |                 |                 |
