	Decrease failure rates and increase passing rates by 5%. Offer tutoring and remediation to students with failing grades.	Increase the contact students have with technology and build their understanding and use of technology both in instruction and independent learning.	Improve the climate and culture of BEMS. BEMS will be a place where all students feel safe and supported.			Increase the contact students have with technology and build their understanding and use of technology both instructionally and in independent learning.	Give all students access to remediation of key concepts in every class during the school day and after school. Track student progress.	Improve the climate and culture of BEMS.
