	Improve student CRT Scores in Math and Writing/Language Arts by Providing cross curricular instruction in Math and Writing/Language Arts.	Lunchtime Tutoring Program Provide a lunchtime tutoring program that students can access to make up attendance and receive additional academic help in Math Language Arts, Science and Social Studies. Labs will be set up in each subject to provide subject specific tutoring, and addition credit earning opportunities.	School wide Advisory Program Students will participate in several discussions and projects across the school year that focuses on personality traits, social norms and behavior expectations. The participation in these discussions will result in students earning elective credit.							Improve student CRT scores in Math and Language Arts.	Continue with lunchtime tutoring program.	Give the TABE Locator assessment to all students three times per year.
