

## **Box Elder Crisis Team Model**

The purpose of the District Intervention Team is to resolve crises through individual and group support for the school community, including students, staff and parents. The goal is to return the school and students to a normal routine. **The school principal consults with the Intervention Team Leader and the School Director.**

### MAJOR TASKS

1. Support and be a resource to the administration, counselors and staff
2. Provide crisis counseling to groups or individuals
3. Identify and assist high risk students
4. Activate community resources for intervention or follow-up support
5. Provide support to school staff
6. Contact and inform parents as needed
7. Assist other schools that may be affected
